93. Juice Beauty Green Apple Age Defy
 When skin needs TLC, this cushiony cream provides open arms with a trifecta of potent ingredients. Vegetable-based hyaluronic acid plumps, peptides firm, and a cocktail of fruit acids smooths. "It delivers just as well as any other product on the market," says Mount Kisco, N.Y., dermatologist David Bank. In this case, it's easy being green. \$45, [juicebeauty.com](#)
